MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activity Report
31 May - 4 June 1965

1. CIA participants for the 19th Session of the National Interdepartmental Seminar (14 June - 9 July) remain below the quota of 8. Today, five are enrolled: 2 from DDI, 2 from DDS and 1 from DDP. The DDP quota is 4. My understanding is that, following a Special Group (CI) meeting last Thursday where the DCI was informed of the low CIA enrollment, he instructed the Executive Director to find qualified participants to meet the quota.

2. Although total enrollments for the 19th Session of the NIS are 68, State as well as CIA has not yet met its quota. AID and DOD, because of its policy to press the attendance of newly-designated military attaches, have doubled their enrollments over their quotas, creating an imbalance of representation.

25X1A 3. I am working with [REDACTED] of the CI Staff to secure for publication in the NIS quarterly, TRANSITION, a paper written in that Staff. The paper, entitled "How Communists Work to Take Over a Revolution" was prepared by [REDACTED]

25X1A 4. The [REDACTED], FE/DDP is considering my request to release its film report, [REDACTED] for use at the Seminar. To use the film it will be necessary to explain the basis for the CIA project in that area.

25X1A 5. All CIA speakers for the 19th Session, NIS, have been committed except for the replacement for [REDACTED]. The DDP/TRO is to discuss that matter with the A/DDP today. [REDACTED] the new Deputy Chief, FE Division will be proposed.
